## NEWS & HAPPENINGS

**PRESIDENT'S MESSAGE** (Chris Chidlaw): I would have to say so far so good in 2010. Our hard working committees have done a fantastic job so far this year. You can read on and see what the special events, government affairs and education committees are up to as well as MCHA's ongoing efforts in being "the Voice of the Hospitality Community".

(more from Chris)

---

**MEMBERSHIP:** This year we have welcomed in 19 new members to MCHA for a total of 271 members so far. You can visit our website and see a complete and updated list of our membership, [click here and download the roster in a PDF](#). Remember, when choosing a business or supplier to always refer to the membership roster for active members with hospitality related products and services. You'd be surprised at the breadth MCHA members have to offer.

CALENDAR

I would have to say so far so good in 2010. We've had a fantastic annual dinner thanks to Mia McKee and her great committee. Gerard Mattimoe and a bunch of hard working volunteers once again put on a tremendous Employee Appreciation Day and congratulations to the Monterey Plaza Hotel and Spa for winning the overall competition. The education committee held its first "events" panel to inform our front line employees on different events going on in the area. Our second one will be held in September and we look forward to another great panel discussion.

Of course our Government affairs committee led by our Government Affairs Director Bob McKenzie has been very, very busy. We have been working extremely hard on the water situation in our county, opening up Monterey for competitive Taxi service, endorsing political candidates who understand the value of our Hospitality community, engaging in a new process to improve and revitalize downtown Monterey and a host of many other subjects. We have also established a new Task Force to tell the hospitality "story" to our public officials and our community.

Coming up the Golf committee will be getting busy putting on our annual tournament to be held at Bayonet/Blackhorse on October 21st. John Lloyd and his committee are already working on this year's annual Hospitality Recognition Luncheon to be held November 2.

I would like to thank all of our members for their continued membership and service, thanks to our great Board members and our executive committee and of course our Executive Director Bonnie Adams for your dedication and hard work this year. I have a good feeling we will have a most successful end of the year.

## NEWS & HAPPENINGS

### MCHA Government Affairs Mid-year Update

[Download PDF File](#)

July 2010

Government Affairs Director Bob McKenzie

An exciting year so far!

2010 has been an exciting year so far for Government Affairs activities. The economy continues to recover, however slowly, and California's in the midst of budget crisis umpty-odd in a series!

State Senate election coming in August

Former State Senator Abel Maldonado was recently confirmed as Lieutenant Governor, opening up the remainder of his term as 15<sup>th</sup> District Senator. The two main contenders for the special election to fill that seat are former Assemblymember John Laird and Assemblymember and former Assembly Republican Leader Sam Blakeslee. MCHA enthusiastically endorses Sam Blakeslee; he's a far superior choice to represent our industry and us. Please cast your ballot for Sam Blakeslee for Senate on August 17<sup>th</sup>!

A Regional Taxi Authority is almost a reality!

Although it's taken far too long (over ten years!), a Regional Taxi Authority is almost a reality. All the Peninsula cities have voted to join the RTA, with Monterey being the latest and last of the Peninsula cities to join, Salinas joining on July 13<sup>th</sup> and Marina expected to join on July 20<sup>th</sup>. The County of Monterey will take up the issue in the next few weeks. The ten-plus year struggle to make sense of taxi service for residents and visitors, especially in Monterey, is finally finished. This has been a major focus for MCHA this year. An initial meeting of the RTA is scheduled for early August and things should get rolling soon after that. Monterey-Salinas Transit will convene the meeting and contract with a mobility management firm to provide the administrative services needed for the RTA.

About the Cease and Desist Order

Unfortunately, the San Jose court now in charge of the challenges to the State Water Resources Control Board Cease and Desist Order against Cal Am has reinstated the order. The ramp down on water use in the order is tolerable this year because of the water use conservation efforts spearheaded by MCHA and the hospitality industry. But more ramp downs loom next year and the year after. It will be a struggle to meet the water reductions in the order, especially if the hospitality industry continues to recover from the recession with increased lodging occupancies and food and beverage sales increasing. Later this year the hearings on the order will commence, but they could take a long time; in the meantime the order is in effect.

## So how about the Regional Water Project?

The Public Utilities Commission held Public Participation Hearings in Monterey and Seaside on the Regional Water Project in late June and MCHA presented extensive oral and written testimony in support of the RWP. The PUC is expected to issue a draft ruling in October and a final ruling in November. The RWP is new ground for the PUC. RWP is a unique public-private partnership of Cal Am, Marina Coast Water District and the Monterey County Water Resources Agency. Cal Am is a regulated water utility subject to PUC jurisdiction, but the two government agencies, MCWD and MCWRA are not. Many groups – MCHA, the Monterey Peninsula Chamber of Commerce, Citizens' for Public Water, the Public Trust Alliance, the Surfrider Foundation and many others, support the RWP. Unfortunately, the Monterey Peninsula Water Management District and the PUC's Division of Ratepayer Advocates, although both claiming to support the RWP, have refused so far to sign-on to the Water Purchase Agreement which is a necessary part of the RWP so Cal Am can acquire and deliver water to the Peninsula. MPWMD contends it should have a say in the construction of the desal plant which is the centerpiece of the RWP and the source of the water Cal Am needs to meet the mandate of the SWRCB's Cease and Desist Order. This is ironic since MPWMD several years ago opted out of the process that led to the development of the RWP. The usual suspects on the Peninsula that have not given up on their efforts to delay or defeat the RWP join MPWMD in its effort. Because of the formal opposition of MPWMD and DRA, the PUC proceedings are taking longer than they otherwise would have to. Nevertheless, MCHA continues to work for approval of RWP. If the PUC ruling is favorable, the project managers believe it can be built and delivering water to the Peninsula by 2014, in time to save water users from the devastation of the water cutbacks in the CDO.

## Revitalize downtown Monterey?

MCHA has joined with Monterey Commercial Property Owners' Association and others to fight the revitalization of downtown Monterey that includes addressing the deficiencies of the Monterey Conference Center; with partial success so far. The architecture firm Wald, Ruhnke and Dost proposed a revitalization scheme last year and laid out the necessary ingredients for this effort. MCHA argued with the Monterey City Council that the revitalization effort should be the highest priority for Monterey. The Council agreed but declined to embrace the "Ruhnke" plan in concept. MCHA will continue to work aggressively with MCPOA and other like-minded groups on this critical must do effort.

## Local elections coming in November

All the cities (except Carmel), the Airport District, and several special districts will hold elections for mayor, councilmembers and Board members in November. In all, almost three dozen seats will be up for grabs. Look for MCHA endorsements later this year.

Get involved in issues critical to business vitality and viability!!!

The Government Affairs Committee tracks issues critical to the near- and long-term viability and vitality of our businesses and our communities and works hard to assure policies implemented at the local level are consistent with that goal. Plan to attend a Government Affairs meeting and learn how you can be involved influencing issues of vital concern to our industry and business and community interests generally.

Government Affairs meets the first Thursday of each month at 8:30 am at InterContinental The Clement on Cannery Row in Monterey. Once in a

while the meeting is rescheduled to a different Thursday or different location to avoid conflicts, so contact Government Affairs Director Bob McKenzie ([bobmac@qwestnet](mailto:bobmac@qwestnet) or 642-9809) or MCHA Executive Director Bonnie Adams ([info@mcha.net](mailto:info@mcha.net) or 626-8636) to be sure of the next meeting date and location (or check the MCHA website, where meeting notices and agendas are posted: <http://www.mcha.net>)

## NEWS & HAPPENINGS

MONTEREY COUNTY HOSPITALITY ASSOCIATION  
EMPLOYEE APPRECIATION DAY and Soccer Tournament  
Tuesday May 25th, 2010 Monterey County Fairgrounds

[Click for official results](#)

Monterey, CA – On Tuesday, May 25, 2010 the Monterey County Hospitality Association held its 14th Annual Employee Appreciation Day at the Monterey Fairgrounds. The event celebrated the hospitality workforce of Monterey County, the unsung heroes who make our community a premier destination. The employees were treated to a fun day of recreation, competition and camaraderie. This year 850 attendees showed up to rally their teams in Monterey's own version of the World Cup Soccer and team events between MCHA member businesses.

A little rainfall did not stifle the Soccer or the activities. Under the watchful eyes of Mazda Raceway's Connor and Melvyn a soccer tournament weaved it's way through teams, goals and to the eventual winner of the second annual tournament- The Portola Hotel and Spa.

During the day, employees participated in recreational activities that include kayaking, whale watching, golf, movie tours and visiting area attractions such as the Monterey Bay Aquarium and the Sports Center. Mazda Raceway Laguna Seca provided 2400 tickets to The American LeMans races on Sunday 23rd and MST provided free weekly bus passes.

Thanks to all of our sponsors who provided the opportunity to do recreational activities at no charge.

Paula Calvetti and an army of volunteers provided delivery of the food component for the day which the General Managers then prepared under the watchful eyes of Tom Glidden and Gordon Chin.

After the recreation activities, "friendly" competitions between area hotels and restaurants took place to award first place bragging rights. The competition results for bed making, food & beverage, bellman, bartender and napkin folding are listed later.

Congratulations to the "Overall Winner for Excellence in Service". This year the Monterey Plaza Hotel and Spa beat the best of the best in competitions to take home the annual trophy. Well done John Narigi and his team.

This year a very special annual award was presented to recognize team spirit. "The Gloria" is a perpetual award and is to be given to the team or group of individuals who demonstrate the best team spirit. The award was given to honor Gloria McPherson, who began the competition 14 years ago. Congratulations to Bernardus Lodge, winners of the first annual award.

Congratulations to Julie Weaver from the Lodge at Pebble Beach for her fine napkin folding expertise and winning the General Manager's competition.

Thanks for the support of Corporate Kids and My Museum who kept the younger audience occupied. Of course, DJ Derek Brown rocked everyone else with his great tunes. We all felt adequately supported by Monterey Bay Urgent Care. And the Monterey Fairgrounds staff were a big help.

There are so many participants in this glorious day, and it would not be possible without the support of volunteers. These are some of the key players: Paula Calvetti, Michelle Knight, Gill Campbell, Ken Lofink, Francine Sullivan , Jeanne Sumners, John Lloyd, Bob Lippi, Carol Chorbajian, Marietta Bain, Mike Oprish, Sheriff Mike Kanalakis, Chris Chidlaw, Bonnie Adams, Vicki Tackett, Gloria George, Sondra Woods, Georgette Cash, Tom Glasure, Cathy Sampognaro, Monica Moore, Mike Bekker, Gloria McPherson, John Turner, and myself Gerard Mattimoe.

Thank you to all of the volunteers not listed.

Please let us know how we can improve the day, and get ready to volunteer in June 2011.

Many thanks

Gerard Mattimoe,

Glastonbury, Inc Audio Visual Event Specialists 831 583 0880

Paula Calvetti, Hyatt Regency Monterey Hotel and Spa on Del Monte Golf Course 831 372 1234

For more information, contact Bonnie Adams, Executive Director, Monterey County Hospitality Association at 626-8636 or email [info@mcha.net](mailto:info@mcha.net).
